BAGS AND COOLERS

Pack responsibly with our eco-friendly bags and coolers for festivals

**FOR THE
PLANET.**

— MEMBER —

Make a difference with every purchase from our festival catalogue. By choosing our sustainable and eco-friendly products, you're not just getting quality items; you're also contributing to a greener future.

A portion of every sale goes towards supporting environmental conservation efforts, helping to protect our planet for generations to come. Together, we can create a positive impact on the world.

OUR ★ COMMITMENT

Sustainability, philanthropy, stewardship, circularity, and transparency are the pillars of our commitment to a better world.

SUSTAINABLE LANYARDS

Discover the perfect fusion of style and practicality with our sustainable lanyards, a must-have for any festival-goer. Not only do these lanyards serve as a fashionable way to keep your festival pass within easy reach, but they also make a strong statement about your commitment to the environment. Crafted from eco-friendly materials like cotton, RPET, or cork, these lanyards are a testament to how small choices can make a big impact. Choose sustainability without compromising on convenience or style, and enjoy the festival vibes knowing you're making a positive difference.

RPET

Colorful rainbow RPET lanyard featuring a metal hook, detachable buckle, and safety breakaway. This vibrant lanyard is perfect for holding keys, nametags, passes, or other accessories. Stand out in any crowd with this eye-catching accessory around your neck. SKU ES3246

Get noticed with a Rainbow lanyard

RPET PLAIN LANYARD

Durable lanyard crafted from 300D RPET polyester, equipped with a metal swivel hook. Features a label with the RPET emblem and is available in a variety of colors, with a special white option for sublimation.

SKU: ES0016

CUSTOM DESIGN

Custom-designed lanyard crafted in the EU: A sleek lanyard made from fine recycled polyester (RPET) and featuring a metal carabiner.

SKU: ES5303

PHONE HOLDER

Eco-friendly RPET lanyard with a convenient phone holder.

SKU: ES5296

COTTON

Discover the natural elegance of our cotton lanyards, designed for comfort and sustainability. Crafted from soft, durable cotton, these lanyards are perfect for those seeking an eco-friendly option for carrying badges, keys, or ID cards. With a variety of colors and customization options available, our cotton lanyards are a stylish and practical choice for any event or organization

Reuter Lanyard & Phone holder

SKU: ESK20746

TROIX LANYARD

100% cotton, this product features a buckle and neck safety lock made from a blend of wheat straw and PP. This design choice promotes the use of natural raw materials and helps to reduce emissions of pollutants.

SKU: ESK6778

DENAIN LANYARD

Introducing our durable lanyard made from 100% resilient cotton. It features a round accessory for customization and a neck safety closure crafted from eco-friendly wheat straw, complete with a metal swivel carabiner for easy attachment.

SKU: ESK1543

CUSTOM LANYARD

Crafted from organic cotton, this lanyard comes with a metal carabiner or other clip options of your choice. The approximately 90cm organic cotton ribbon can be customized with your logo designs in Pantone-matched colors, printed on one or both sides.

SKU: ES1036C

CORK

Elevate your ID game with our natural cork ID holder and lanyard. Featuring a swivel hook and a card holder with a clear PVC window, this eco-friendly accessory is crafted from plant-based elements. Embrace sustainability while keeping your ID secure and stylish.

BERYEL ID BADGE LANYARD

SKU: ESK6885

BESPAL LANYARD

This eco-friendly accessory features a buckle and neck safety lock made from wheat straw/PP, promoting the use of natural materials and reducing emissions. It comes with a metallic rotating carabiner, available in a natural color, and is crafted from a combination of cork, wheat straw, and PP for a sustainable choice. Safety catch included for added security.

SKU: ESK6779

MERUL LANYARD

This lanyard is crafted from natural cork with a tubular finish, featuring a safety neck zip made of wheat straw/PP and a metal carabiner. It includes a central cork area for printing, ensuring both style and functionality with its safety catch.

SKU: ESK6885

CUSTOM LANYARD

Crafted from sustainable cork, this lanyard comes with a metal carabiner, or you can select from other clip options to suit your style. The approximately 90cm cork ribbon can be customized with your logo designs in Pantone-matched colors, printed on one or both sides. Additionally, we offer a variety of custom cork lanyards and arm bands to meet all your unique needs.

SKU: ES1038C

SEEDED LANYARDS

plant after use

Introducing our Made in Europe seed paper lanyards, a game-changer for events, exhibitions, or festivals. Crafted from seed paper embedded with a mix of wildflower seeds, these lanyards offer a sustainable alternative to single-use products. After your event, simply plant the seed paper ribbon in soil, and watch a beautiful array of wildflowers bloom.

SKU: ES6906C

MEDAL LANYARD

Elevate your awards with our eco-friendly medal, crafted from natural wood for a touch of organic elegance. Paired with a 100% cotton lanyard, it features a wheat straw safety clasp at the neck for secure and comfortable wear. Embrace sustainability without compromising on style. Materials: Cotton, Wood
SKU: ESK1540

RPET phone holder lanyard.

DRINKWARE & ACCESSORIES

MyVivero

reddot design award

Our 350 ml mug is composed of three parts: the inner mug, crafted from premium stainless steel, pairs perfectly with a lid available in either white or black, offering a generously sized print area for branding. To complete the design, choose from twelve outer mug colors - ten transparent and two opaque options. The outer mug doubles as an additional drinking vessel when needed. The transparent outer mugs create a stunning visual effect, making the inner mug appear to float. Adding advertising to the outer mug enhances its visual appeal, giving your brand a new dimension.

SKU: ES52570

AWAY CUP

Eco-friendly festival essential: a 300 ml coffee cup made from recycled PP, designed for reuse and to keep your drinks enjoyable while reducing waste.
SKU: ES2256

FJARD CUP

Sustainable sipping starts here with our reusable cup made from 90% recycled stainless steel and 10% new stainless steel, boasting a 350 ml capacity. Designed as a single-walled mug, be mindful that heat transfer is possible.
SKU: ES3602M

BONGO CUP

Stainless steel 350ml cup: the perfect reusable alternative to disposable plastic cups commonly found at parties or picnics. Simple, durable, and sustainable.
SKU: ESM2636

MULTIPURPOSE BAG WISY

Introducing our versatile multi-purpose bag, crafted from 100% recycled cotton for eco-conscious convenience. This practical accessory features a long handle and a handy pocket, perfect for carrying cups, glasses, or any other essentials with ease. Available in a variety of colors, each bag is made from soft recycled cotton and comes with a distinctive label to highlight its sustainable origins. Embrace functionality and sustainability with this must-have bag for all your carrying needs.

SKU: ESK20634

FELIN LANYARD CUP HOLDER

Elevate your festival experience with our innovative cup holder lanyard! Designed with a cotton strap and a matching cup holder, this accessory is crafted from durable silicone and is fully adaptable to your needs. Say goodbye to juggling drinks and embrace hands-free convenience at your next event. Perfect for festival enthusiasts who want to enjoy every moment without any hassle.

ESK1541

INSULATED FLAUTROK 550ML DRINK BOTTLE AND INTERCHANGEABLE CORDS.

Check out this one-of-a-kind stainless steel thermos flask, boasting a 550 ml capacity and designed with versatility in mind. The secure screw cap comes with a hidden twist: a compartment housing two interchangeable carrying options—a chic bracelet and a handy lanyard with a carabiner. Not to be outdone, the base reveals a 300 ml tumbler made from sturdy PP, color-coordinated with the flask. Choose from an array of matte finishes, each flask presented in its own kraft-style box. With a glass PP construction and a lanyard included, it's perfect for your on-the-go hydration needs.

SKU: ESK21123

IRVINSON RECYCLED ALU BOTTLE

Discover our 600 ml recycled aluminum bottle, a sustainable choice for staying hydrated. Topped with a bamboo screw cap connected to a braided carrying string, it merges eco-friendly materials with practical design. Select from a charming range of pastel hues to match your style, all packaged in a tasteful kraft design box.

SKU: ESK21058

FESTIVAL ESSENTIALS

Step into the festival season with a conscious spirit and sustainable style! Our carefully curated selection of festival essentials is all about celebrating responsibly. Embrace the festivities with our planet-friendly picks and make memories that are as lasting as the durable materials they're made from. Let's make this festival experience unforgettable for all the right reasons!

1

YUZUX BUCKET

Check out this fantastic metal bucket, boasting a 6-liter capacity ideal for chilling your favorite beverages. It's a stylish & practical addition to any gathering, equipped with fixed openers at both ends for convenience. The sturdy construction features rope handles, ensuring effortless portability. SKU: ESK20807

2

TEXAS HAT

Embrace the rustic charm with our natural straw cowboy hat, accented with a polyester band for a touch of color and style. SKU: ES5576

3

JEXOR STRAW

Check out our reusable, extendable stainless steel straw, complete with a comfortable silicone mouthpiece. It comes with a handy cleaning tool and is neatly presented in a matching case with a carabiner for easy transport. Sustainable sipping made simple and stylish!

SKU: ESK20616

4

POREN SUNGLASSES

Discover our stylish sunglasses, offering UV 400 protection and crafted from RPET. Featuring a trendy frame design and mirror-effect lenses, these sunglasses are available in various colors. Each pair proudly displays the RPET logo, injected into the mold on the left arm, and comes in an individual eco-design bag.

SKU: ESK1605

5

PICNIC BLANKET

Explore our foldable picnic blanket, made from 150 gr/m² RPET polar fleece, with a water-resistant PEVA coating on the reverse side. It features a convenient front zipper pocket and a short carry strap for easy transport. Perfect for your next outdoor adventure!

ES1986

6

BRINEK RAINCOAT

Discover our adult-sized poncho, crafted from LDPE material, measuring 102x127cm. It comes neatly packed in a RPET polyester bag made from recycled plastic. The bag features a matching carabiner for easy portability and an adjustable closure, available in a variety of colors.

SKU: ESK1478

7

CHEERING STICKS

Get ready to make some noise with our pair of cheering sticks/clappers! Made from durable and loud RPET material, these sticks are reusable and come with an inflation valve included. Perfect for adding excitement to any event.

SKU: ESK20638

8

ROMIN BANDANA

Introducing our extra-large bandana, featuring a triangular design crafted from 100% recycled cotton. Available in a selection of vibrant colors, each bandana comes with a distinctive label and is finished with reinforcement stitching on the sides for added durability. A stylish and eco-friendly accessory for any occasion.

ESK20700

WAIST & SHOULDER BAG

Check out our fashion-forward waist bag, crafted from 600D RPET polyester for a sustainable touch. It features a central zippered pocket with a double puller for easy access and an adjustable strap for a comfortable fit. Each bag is adorned with a RPET label.

SKU: ESK20899

HAND FAN

Discover our elegant manual hand fan, featuring a bamboo frame paired with paper fabric. Perfect for staying cool with a touch of traditional charm.

SKU: ES8286

SELFIE LIGHT

Check out our eco-friendly LED light ring for smartphones, made from durable wheat straw. It's adaptable to any smartphone and features 36 LEDs with 3 levels of light intensity. Powered by an 80 mAh battery, it's USB rechargeable (Micro USB cable included). Comes in a stylish box with an instruction manual in English and Spanish.

ESk20743

WRIST BANDS

Stylish, practical

Step into the world of sustainable event accessories with our collection of wristbands and cellphone holder bracelets. Each item is designed with both the environment and your convenience in mind, ensuring that you can enjoy your event while making a positive impact. Our wristbands are perfect for event identification or as a fashion statement, while our cellphone holder bracelets offer a hands-free way to keep your device secure and accessible. Embrace eco-friendly style and functionality at your next event with these sustainable must-haves!

BOSGO WRISTBAND

Discover our durable wristband, crafted from 100% resistant cotton, featuring a unidirectional safety closure made from bamboo. Perfect for securing your wristband in place while embracing eco-friendly materials.

SKU: ES1542

BROCH WRISTBAND

Introducing our eco-conscious event wristband, made from 160g/m2 RPET polyester derived from recycled plastic. By choosing this wristband, you're not only making a stylish choice but also contributing to the reuse of plastic waste and supporting the sustainability of our planet.

SKU: ESK6973

BAYALA WRISTBAND

Experience our eco-friendly event wristband, crafted from 100% natural cork.

SKU: ESK6974

MOBILE HOLDER

Get festival-ready with the Naomi mobile phone holder bracelet and the Harlux wristband. Naomi is designed with flexible silicone to fit any wrist size and includes a convenient carrying accessory for easy smartphone attachment. Harlux, made from soft cotton, doubles as a mobile holder, ensuring a snug fit for all wrist types. Keep your phone secure and within reach as you dance and explore the festival grounds with these essential accessories.

SILICONE

SKU: ESK20242

NAOMI BRACELET HOLDER

HARLUX BRACELET HOLDER

SKU: ESK21184

WRISTBAND

Discover our practical wristband made from soft RPET polyester, the perfect accessory for carrying small items. It features a handy pocket with a black zip closure, ensuring your essentials stay secure. Available in a variety of colors, each wristband comes with an RPET label, highlighting its eco-friendly credentials.

ROLINS WRISTBAND

MUSIC & CHARGERS

Sound, Power

Dive into the festival spirit with our eco-friendly music accessory lineup! Our Bluetooth speakers and power banks are crafted with sustainability at their core, allowing you to groove to your favorite beats while championing the health of our planet.

Elevate your festival moments with our green music essentials, ensuring a minimal environmental footprint as you enjoy the melodies. Embrace the rhythm of the festival and the rhythm of sustainability, all in perfect harmony!

BLUETOOTH SPEAKERS

Elevate your festival experience with our eco-friendly Bluetooth speakers! Designed with sustainability in mind, these speakers bring your favorite tunes to life while keeping the environment in mind. Compact, portable, and made from earth-friendly materials, they're the perfect addition to your festival gear. Get ready to dance to the beat of sustainability and make your festival moments unforgettable with our green sound solutions!

1

VOXEL

Introducing our wireless speaker, a perfect blend of style and eco-friendliness. Made from recycled aluminum and featuring a cork base, this speaker not only looks great but also supports sustainability. Equipped with Bluetooth 3.0 connectivity, it allows you to stream your favorite tunes wirelessly with outstanding sound quality. SKU: ESS1061

2

ZOYA

Discover our innovative wireless speaker, crafted from recycled bottle caps. With a 3W output, it delivers clear sound for your listening pleasure. It comes with a Type-C cable for easy charging and features a convenient carry handle made from RPET polyester. Packaged in an eco-friendly design box. SKU: ESS1290

3

DIPSTER

Meet Dipster, the 5-watt wonder that's redefining portable sound. Dipster's sleek and compact design ensures it fits seamlessly into your lifestyle. Slip it into your bag, clip it to your gear, or simply carry it in your hand – Dipster is the ultimate companion for music enthusiasts on the move.

But there's more to Dipster than meets the eye. With IPX7 waterproof technology, it's a speaker that laughs in the face of rain, splashes, and even works underwater.

SKU: ESR003

4

DARWIN

Introducing our 5W speaker, designed for long-lasting entertainment with its 3.7V 1,000mAh battery. Enjoy seamless wireless connectivity for uninterrupted music. This speaker also features removable metal grilles for complete customization and comes with a carabiner for easy portability. SKU: ESA14103

POWER BANKS

Stay powered up sustainably at your next festival with our eco-friendly power banks! Designed with the environment in mind, these power banks ensure your devices stay charged while you enjoy the festivities. Made from sustainable materials like recycled plastics and natural stone extracts, our power banks are not only good for the planet but also reliable and durable. Keep the party going and your devices powered with our green energy solutions!

1

LIVIAN

Discover our eco-friendly Power Bank, crafted from recycled bottle caps with a 5,000 mAh capacity. Featuring Type C and USB outputs, it keeps your devices charged on the go. Packaged in an eco-design box, this power bank is a practical choice for sustainable living.

SKU: ESS1292

2

POW

Experience the convenience of our 15W wireless charging power bank, featuring a 4,000mAh capacity. Encased in elegant acacia wood and crafted from 58% recycled PU (40% recycled polyester and 18% recycled PU), this power bank combines functionality with a commitment to sustainability.

SKU: ESM2185

3

ELEXA

Power up your adventures with our 20,000mAh power bank. It charges laptops with 2 USB A and 1 USB C port, delivering 30W of power. Keep your phone charged 8-9 times over. Made from recycled ABS, it's a sustainable choice for staying connected.

SKU: ESA7103

BAGS & COOLERS

Step into the festival scene with our collection of sustainable bags and coolers! Designed with both style and the environment in mind, these eco-friendly essentials are perfect for keeping your belongings secure and your refreshments cool. Made from materials like rPET and natural fibers, our bags and coolers offer durability and practicality while reducing your environmental footprint. Whether you're dancing to your favorite band or relaxing in the campsite, our sustainable bags and coolers are must-haves for any festival-goer looking to make a green statement.

UZNAM DRAWSTRING

Explore our drawstring backpack, crafted from soft 210D RPET polyester for a sustainable choice. Featuring self-closing black strings and a front mesh pocket with a matching zip closure, it's perfect for carrying your essentials on the go. ESK20906

DUBLIN COOLER

Enhance your adventures with our 28L cooler backpack, made from sustainable rPET. It features a large front pocket, two side pockets, and a spacious main compartment for ample storage. Keep your refreshments cool and enjoy hassle-free cleaning with this versatile backpack. SKU: ESA0104

WANDERER COOLER

Discover our 12L cooler made from recycled plastic, combining durability with eco-friendliness. It features a convenient transport strap and comes with a customizable plate (14 x 7cm) for adding your logo. Perfect for keeping your drinks cool while camping, on a day trip to the beach, or during any outdoor adventure. ES1159A

4

LANDRY BAG

Check out our classic smartphone bag made from sturdy 600D RPET polyester. It has a main compartment with a discreet zip closure and a drawstring puller, plus a matching shoulder strap for easy carrying. An external pocket and lined interior offer added convenience. Choose from a range of colors.

SKU: ESK1838

5

PHONE SLING

Keep it stylish and hands-free with our Phone Slings, perfect for on-the-go convenience! These compact and fashionable slings are ideal for errands, school, or work. The secondary pocket securely snaps shut to hold your phone, lip balm, grocery list, AirPods, or any other essentials you need for the day.

SKU: ESN5238

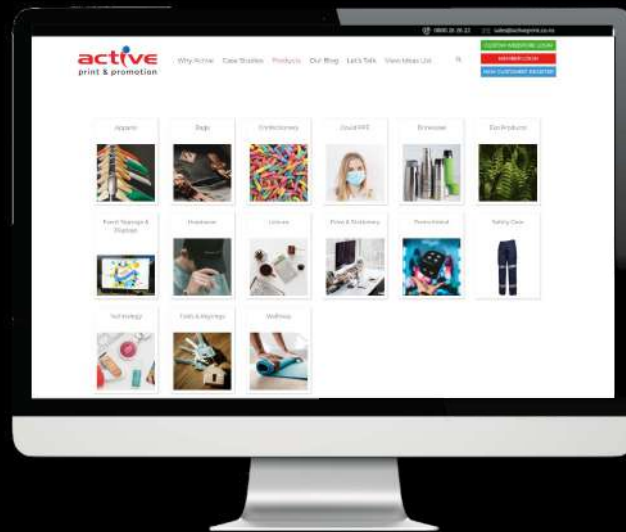

6

BUCKET SLING

Our eco-friendly Bucket Slings are not only stylish but also sustainable, keeping 4 plastic bottles out of the landfill with each bag! Made from Heavyweight Poly material, containing 100% post-consumer recycled materials (RPET), this utility fabric is durable and consciously crafted without compromising on style or functionality.
